Dear Shareholder,

Re: Installation of Surveillance Cameras in East Grove, Valsayn Curepe

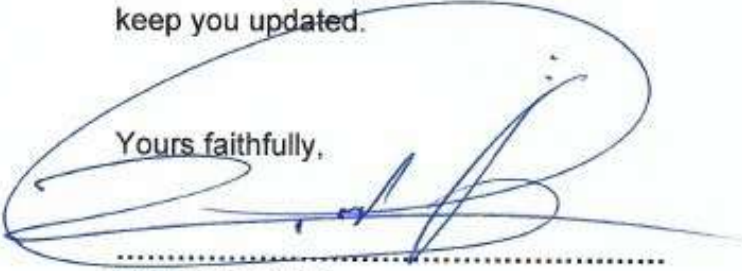

The Board of Directors of Purdue Gardens Management Company Limited would like to once again express a heartfelt "Thank You" to the Safety & Security Committee for the report submitted on pertinent issues regarding safety and security.

Arising out of the Shareholder consultations held on October 20th, 2024, Purdue Gardens Management Company Limited wishes to announce that we have engaged Citizen Surveillance Network (CSN) to complete the installation of surveillance cameras within the community in the first quarter of 2025. This system will be recorded remotely on the cloud and on cameras which will be monitored by CSN and Trinidad and Tobago Police Service.

Should you require additional information on this service, we encourage you to visit CSN's website Frequently Asked Questions which can be accessed using the following website address: <https://csn.tt/frequently-asked-questions-faqs/>

The Board continues to look forward to your continued cooperation and support as we keep you updated.

Yours faithfully,

.....
